

# 2005 Girls High Performance

## 2006 High Performance Tournaments

In 2006 some of our participating athletes will represent the NCVA in an inter-regional **USA Volleyball High Performance Tournament**. The tournament date and site are yet to be announced. Costs are expected to be around \$700 per player *plus* airfare.

The **Global Challenger** is an international tournament scheduled for July 22-31, 2006 with travel days on July 21 and August 1. Our participating athletes will travel to Italy, Slovenia and Croatia to represent the NCVA in this tournament. Costs are anticipated to be around \$3000 per player, which includes hotel, ground transportation, three meals per day, and all volleyball-related expenses. *Airfare is extra.* The NCVA is currently exploring possible fundraising opportunities to finance trip expenses.

Visit the NCVA website for additional information about the Global Challenger. In 2007, this tournament will be held in Salt Lake City with teams traveling internationally again in 2008.
